Service Academy Contact Information If you have not already done so, you should open a pre-candidate file with the service academies that you desire to attend. And we encourage you to apply to all of the Service Academies that you are interested in. Failure to contact the Service Academies and becoming an official candidate will automatically disqualify you for an official interview with my office. Applying to the Service Academy and applying for a nomination are processes that need to be accomplished at the same time. To obtain catalogs and other specific information on the academies, please contact them directly.
